WHO WE ARE

Dots Print & Packaging is Leading Printing Solution Provider in UAE.

Dots Printing opened its doors now, with the intention of becoming the leading offset, digital and flexible packaging printers in UAE – using the latest offset, digital and rotogravure printing machines to offer customers the best quality print products.

This means we can produce business cards, stationery, leaflets, brochures, paper bags, gift boxes, packaging pouches and even banners that meet all your requirements and exceed your expectations.

Vision

Our vision is to provide our customers with a full range of services from the very beginning to start their business. Grow with them & develop a strong working relationship that is a catalyst to both the companies. Support them in the developing stage with the hope of being able to nurture the growth of both of our companies.

Fast

Our promise to our customer is a fast response to their needs without compromising.

Accurate

We take every step to understand our customer needs to provide accurate, attractive work & design.

Creative

Our new fresh racial designs will capture the attention of your audience.

Effective

Creating new ideas that are effective to your needs. This does not only mean creative ideas but also a cost effective method of reaching out to your target too.
